Course Description:

This course will teach methods to investigate and determine the origination and destination of drugs and drug currency following a seizure. It is designed to instruct the officer how to continue the investigation, interview suspects and co-conspirators and writing and applying for drug search warrants based on initial investigations.

Course Objectives:

- Investigate source and destination of seizure
- Writing and applying for drug search warrants
- Expanding investigations
- Disrupting trafficking organizations
- Interviewing defendants and co-conspirators
